BURBANK, CA (February 1st, 2019) — Allison Williams (*Get Out, Girls*) and Alexander Dreymon (*The Last Kingdom*) are set to star in the upcoming survival-thriller *Horizon Line* for STXfilms, a division of STX Entertainment, and Nordic major SF Studios, who developed the project. SF Studios' own Fredrik Wikström Nicastro (*Borg/McEnroe, Easy Money*) is producing, with award-winning director Mikael Marcimain (*Call Girl, The Laser Man*) set to direct. The original screenplay was written by Josh Campbell & Matt Stuecken, who penned the \$100m blockbuster *10 Cloverfield Lane*.

In the edge-of-your-seat thriller *Horizon Line*, former lovers Sara and Jackson find themselves reunited ahead of their friend's tropical island wedding. As the only passengers on a single-engine Cessna plane making its way over the azure waters of the Indian Ocean, a spark soon rekindles between Sara and Jackson. However, when their pilot suddenly suffers a heart attack, the couple must fight for their lives to stay airborne and find their way back to land.
